

NSU Freshmen Scholarship Application Helpful Hints:

- Firefox is the preferred browser to use to complete your application.
- Application must be completed in 1 sitting (you cannot save and come back)
- If you have been admitted, you can find your N# (student ID #) at the top of your acceptance letter. If you cannot find it, or have not yet been admitted, you can enter your social security number instead.
- If you are Native American and have a CDIB card, you will need to attach a copy/picture to your application. The file size is 2 MB. Make sure your file meets the size criteria before beginning the application.
- If you retake your ACT after submitting your scholarship application and earn a higher score, please complete the “ACT Score Increase Form” found on the scholarship webpage to notify the Scholarship Office of your new score.
